# Refreshed

*“Repent therefore, and turn again, that your sins may be blotted out, that times of refreshing may come from the presence of the Lord, and that he may send the Christ appointed for you, Jesus”*

**Acts 3:19-20**

‘Refresh’ was the name of this year’s bible week which took place last week at Stafford and refreshing is exactly what God commissioned us to bring into the world. As God met with us He strengthened, renewed, equipped and empowered us by His Spirit to do the work He has called us to do.

Over 300 members of King’s Church travelled to Stafford with many of us camping on site for the duration of the week. We had a fantastic time fellowshiping with one another and

building relationships including a huge and delicious barbeque on Sunday afternoon.

We spent time worshipping together and encountering God in powerful ways. God spoke clearly through His prophetic word and through those who brought us teaching throughout the week. We were inspired hearing about how much God loves us and the amazing restoration plans He has for us. We were also challenged to live as servants of Christ and as those who are sent with supernatural power.

One of the most exciting things about the meetings this year was the incredible ways we saw God move. On at least two nights the powerful presence of God was manifest in incredible healings and the resulting testimonies sparked explosive praise.

Praise God for an amazing time away with the family of Christ but more than that praise Him for lives changed and transformed by His miracle working power. If you weren’t at ‘Refresh’ ask someone who was to tell you about some of the amazing things God did and be blessed!
