Making Jesus Famous

01-05-2011

Hello Welcome

and

We are really pleased to have you with us today. You'll find lots of friendly faces and people from all ages and cultures to talk to. We hope you feel at home with us and enjoy the presence of God.

Alive 2011

We want to wish you a special welcome if you're with us this morning after attending the Alive Easter Concert. On page two Laura tells us all about it.

Alive 2011

**“He lives! He is risen! He reigns and His kingdom never ends
Jesus! He's alive and He's living in me”**

This was the message proclaimed through music and song in the Bridgewater hall last Sunday as 2000 people gathered to hear about and celebrate the fact that Jesus is in fact alive and is changing lives today!

We hope that if you are with us for the first time as a result of coming to Alive you experience the same life and energy that you did on Sunday evening and meet with the same risen Lord Jesus.

The atmosphere at the Hall was electric right from the start of the evening which was a real celebration of Jesus' life and resurrection. The musicians and singers did an outstanding job of entertaining and inspiring the audience with songs demonstrating the power of God and how much he loves us. The hosts were warm and welcoming and the technical teams worked tirelessly to produce a slick, professional sound and look for the evening. But the evening was so much more than a concert or performance. People were encouraged

to respond to this awesome love of God via a hope filled message and it was obvious that God was moving as over fifty people stood to their feet in response.

The audience continued to participate in the evening as the sound of praise and worship being sung to Jesus could be heard resonating throughout the Bridgewater Hall. The crowd demanded an encore and the musicians and singers gladly obliged.

The evening was a fantastic success with everyone involved and in the audience having a great time. But more than this Jesus was made famous in Manchester and lives and hearts were forever changed as a result. This wasn't just a one off special event in the city but an expression of who we are as a church, a people sent in power to this city and the world beyond to proclaim that He is alive and is living in and through us!

National Day of Prayer and Fasting

Saturday 14th May, 10am to 2pm, Living Rock, Stoney Stanton

We had a really significant time praying together in January at our last National Day. We're believing that as we pray God will move powerfully by his Spirit in and through his church.

Parking is limited at the venue and to enable as many to make it as possible we are providing a coach for £5 each. This will be cheaper than travelling in a car. Please book in at the Help Desk.

"If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land." (2 Chron. 7:14 ESV)
