# STUDENTS

Welcome to all you students! You'll find that Manchester is an amazing city and that King's Church is a diverse family who really love Jesus. My personal story is that I came to university 5 years ago and a flatmate invited me to King's Church. But it wasn't until 2 years later that I decided to come back to God and church. What I found was a family who loved me, fed me, cared for me, taught me, encouraged and inspired me through the way they live for Jesus.

So here I am, writing this to tell you that there is no better way to live life than being intimately in relationship with a God who loves you and has a plan and purpose for you (Jeremiah 29:11).

Students and also anyone aged eighteen to twenty five meet together here on Fridays at 7pm for what we call Amplify. It's a great place to meet new friends, encourage each other and grow in our relationship with God. We want to fulfil our God given purpose of living life out loud.

We also have a student lunch today at 2pm, so don't go away!

We'd love to meet you, be friends with you and help you in any way we can during such an exciting time of your life.
